

# Upper French River Cottagers Association Cottage Location Map

- Cottage
- Fire Pump
- Marina
- First Aid
- AED
- Roads
- ▭ Municipal Boundaries
- ▭ Waterbodies

Cottage locations were collected using satellite imagery based on the location of the dock, along the shore in the direction of the cottage. PS numbers were assigned by UFRCA solely for this project and are not officially recognized.

**Disclaimer:** This map has been developed as an information service for UFRCA members. The map is based on information provided by members and, although reasonable efforts were made to verify the information, the result should not be relied on as being 100% accurate. The UFRCA is not responsible for any omissions or errors. The map is not intended for navigation purposes and does not include all properties in the Upper French area. Thank you to the Association volunteers who made this map possible.
